**What you need to  
know  
about your daily  
living aid(s)**

## LANDSTINGET BLEKINGE

- Electrodes for TENS (transcutaneous electrical nerve stimulation) machines

### **Your Responsibility**

Your daily living aid should be used according to the specified instructions and in accordance with the information provided to you by your prescriber.

Every daily living aid comes with its own responsibilities for its cleaning, maintenance, and upkeep.

It falls to you, or to your family member/caretaker, to take responsibility for your daily living aid during the time that it is loaned to you. The Blekinge County Council is the owner of the daily living aid. It is forbidden to sell your daily living aid or to loan it to another party.

If the daily living aid experiences an unusual amount of wear and tear, is damaged, or is lost or stolen while in your possession, you will be held liable. Therefore, it is very important that you review your insurance coverage.

When you receive your daily living aid, a “starter kit” of products necessary for its use will be given to you. Thereafter, the care recipient is responsible for costs related to:

- Batteries (A, AA, AAA, 9-volt, and watch batteries)
- Spare parts and masks for CPAP machines

Repairs to any damages caused to your surroundings (such as your home) by the use of your daily living aid is neither the responsibility of the county nor of the municipal government.

### **Damage or Loss**

Contact your prescriber if your daily living aid is damaged, lost/stolen, or is involved in an accident/incident. In the case of theft, you should file a report with the police and inform your insurance provider.

### **Service and Repairs**

Service and repairs to your daily living aid that are necessitated by normal wear and tear are provided to you free of charge. Please contact your prescriber.

You can also contact the technical service centre at the Daily Living Aids Centre.

Telephone hours are Monday-Friday, 08:00-09:00 and 13:00-14:00. Outside of these hours, you may leave a message on the answering machine.

Telephone number: 0455 – 73 63 35; E-mail address: tekniskservice.hmc@ltblekinge.se

### **Relocation**

LANDSTINGET BLEKINGE

If you are planning to relocate within or outside of the county, you must contact

your prescriber well in advance of your move.

If you will be moving outside of the county, then as a rule you will need to return your daily living aid

before you move. A new daily living aid can be obtained at your new location.

If you take your daily living aid with you without contacting the relevant authorities,

you will be responsible for returning it to the Blekinge County Council.

### **Returns**

Should you no longer require your daily living aid, it should be cleaned well and then returned. If you ignore requests by your prescriber to return your daily living aid, you will be held financially liable. Please contact your prescriber or the Daily Living Aids Centre,

Telephone number: 0455- 73 63 35
